

MAGiC iN THE THEATRE

SAFiRE iLLUSiONiSTS

Safire are an award winning act. Since their inception hard work and enthusiasm has produced a breathtaking but amusing live show making them in great demand and gaining them the reputation as being one of the finest illusion acts in the country. Recently they won the title of The Most Entertaining Magical Act in the UK, were given Membership of The Inner Magic Circle and were honored to become joint Presidents of The North Wales Magic Circle.

These workshops focus on how magic can be used to create special effects in live theatre performances (e.g. Ghost, Shrek etc) looking at transformation scenes, switches, appearances, vanishes, quick change. An illusion (sawing in half/levitation or similar) will be used to demonstrate this live. There will also be an opportunity for students to try an illusion themselves and understand how it would work when used in a live theatre show.
